

## Go Where the Locals Go!

Wolf Bay Lodge in Elberta, AL, is located on beautiful Wolf Bay just minutes away from the Gulf of Mexico.

They have been serving great seafood & steaks in a family atmosphere since 1973. What began as a bait shop in the 1950's, slowly expanded to serving sandwiches and then to full menu dining.

Charlie & Sandy Wrape purchased Wolf Bay Lodge back in 1973. The business is now run by the daughters, Alice Bretz & Charlene Haber. The girls grew up working in this terrific restaurant & they are carrying on their parent's tradition.

Much of the food served at Wolf Bay is prepared from scratch daily including the **homemade** salads on their wonderful **salad bar** and it's guaranteed that you won't find another salad bar like this one!!!

Many of the recipes came from the ladies who worked at the Lodge and lived within the community including their

**seafood gumbo, stuffed crab, stuffed shrimp, stuffed flounder, salad dressings, etc.**

*This along with hard work & determination has contributed to the success of Wolf Bay Lodge*
